FORT HAYS STATE UNIVERSITY

Founded in 1902 on the plains of western Kansas, Fort Hays State University is the second youngest of the state's six universities. An ongoing five-year series of Centennial activities will culminate in the year 2002.

From a humble but exciting beginning, when just two faculty members and a 19-course curriculum greeted 34 students, our university has grown to a faculty of nearly 300, a support staff of 250 and a student body of 5,600. The university now offers hundreds of courses in each of its four main colleges — Education, Arts and Sciences, Business and Leadership, and Health and Life Sciences — and the Graduate School. The FHSU Virtual College provides many of the courses through various media to sites across Kansas and beyond.

FHSU is governed by a Board of Regents appointed by the governor of the state of Kansas.

FHSU is located in Hays, the largest city in northwest Kansas. Hays began as a wild frontier town and has grown into a progressive community of about 20,000 people. The old and new blend beautifully to form a city that is small enough to be comfortable yet large enough to provide abundant cultural, commercial and entertainment opportunities. In 1996, Hays was recognized as an All-America City.

The university sits on a campus of 4,160 acres of land that once was part of the historic Fort Hays frontier military post, and it recently expanded to include the relocated Sternberg

Museum of Natural History on a site adjacent to Interstate 70 in northeast Hays. Big Creek, with its shady, grassy banks, meanders through the main campus, providing a tranquil learning atmosphere and serving as a natural laboratory for students in the biological sciences. With its stately limestone buildings and profuse flowers, trees and shrubs, our campus has often been called the prettiest in Kansas.

FHSU is academically superior to many comparable universities, offers students an electronic learning and living environment, and is richly endowed by heritage and tradition. Students come to our university for a multitude of reasons, but surveys show that their overwhelming reason is "the university's reputation for academic excellence and its caring faculty."

The university supports one of the most extensive and successful intercollegiate sports programs of any comparably sized college or university in America, boasting numerous All-America athletes and national championships. More than 350 athletes compete annually in eight men's and seven women's sports. FHSU is a member of the Rocky Mountain Athletic Conference, which comprises 14 schools from the states of Kansas, Colorado, Nebraska and New Mexico.

The university also serves as the cultural center of western Kansas, featuring fine arts exhibitions, performing arts presentations by faculty, students and traveling professional troupes, and a noted Presidential Lecture Series.

DR. EDWARD H. HAMMOND - PRESIDENT

Dr. Edward H. Hammond is the eighth President of Fort Hays State University. A man of boundless enthusiasm and energy, whose style is upbeat and progressive, Dr. Hammond was born in McAllen, Texas, but reared in the Kansas City area.

Prior to his current post, President Hammond gained educational experiences and shared his expertise at the universities of Louisville, Seton Hall, Southern Illinois, Purdue, and Missouri-Colum-

bia. The President holds bachelor's and master's degrees from Emporia State University and the Ph.D. from the University of Missouri-Columbia.

President Hammond has been extremely active since assuming the leadership of the university in the summer of 1987. He laid the groundwork for a cooperative educational initiative between FHSU and the community colleges in western Kansas; has watched his dream to totally computerize the campus become a reality; created an organization comprised of business and community leaders from 54 western Kansas counties and helped to establish scholarship programs for potential minority school teachers at Garden City and Liberal.

Dr. Hammond has played a major role in furthering economic development in Hays and western Kansas and introduced a voice mail system

that vaulted the foreign language efforts of FHSU into an elite class. He prompted the completion of the Beach/Schmidt Performing Arts Center for the cultural development of the area and launched the expansion of Sternberg Museum to its new location on Interstate 70. He obtained federal and state funding for the university's new \$12 million science building and completed a \$20 million Capital Campaign to raise private monies for the enhancement of many university programs.

President Hammond has published widely and is in demand nationally as an educational consultant because of his expertise in risk management, staff and institutional liability, sexual harassment, and alcohol education issues.

The Hammond family includes wife Viv (Hammeke), formerly of Ellinwood, daughters Kelly and Julie, and son Lance.

TOM SPICER - DIRECTOR OF ATHLETICS

Tom Spicer was named director of athletics at Fort Hays State University on July 27, 1989. Spicer begins his twelfth year as director of athletics and has emphasized a return to athletic and academic excellence.

A native of Beaver, Oklahoma, Spicer attended secondary schools in Hays. He is a graduate of Hays High

School and earned a bachelor of science degree from Fort Hays State University in 1972. He played varsity football for the Tigers during his collegiate days. Spicer also received his master of science degree from FHSU in 1977.

Spicer is largely responsible for the improvements that were made to Lewis Field Stadium. Through his continued efforts the 1936 stadium was renovated with new synthetic surfaces on both the football field and track. The native limestone structure was sandblasted to its original color. A new two-story press box on the west side of the stadium is a welcome addition to stadium. Spicer's fund-raising efforts have led to improved financial support of the Tiger athletic programs, allowing student athletes the opportunity to at-

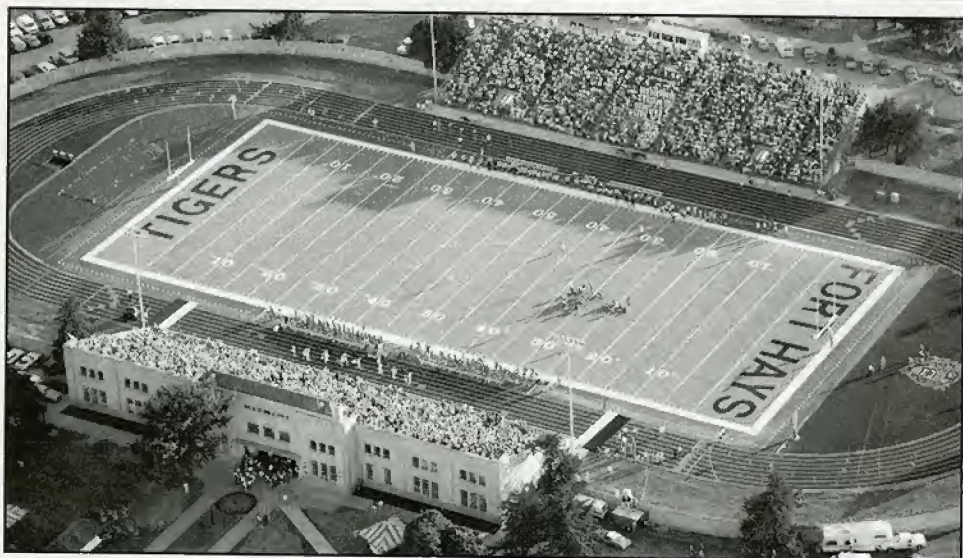

tend FHSU.

Prior to making the move back to FHSU Spicer was the director of athletics and dean of student affairs at Butler County Community College. He also has experience as director of athletics, physical education instructor, head football coach and track coach for the Durant, Oklahoma, School District.

Previous to his work in Oklahoma, he taught and coached at Salina South High School, at Bishop Miege High School in Shawnee Mission and at Schlagle High School in Kansas City, Kansas.

Spicer is married to the former Kathy McGovern of Denver, Colorado. She received a bachelor of arts degree in sociology from Fort Hays State in 1972. The Spicers have four children: Matt, Amber, Kristen and Allison.

LEWIS FIELD STADIUM

Lewis Field Stadium, the 6,362-seat home of the Tigers, received a major facelift prior to the 1993 season. The native limestone structure was refurbished to its natural state when 57 years of weathering was sandblasted away.

The grass football field and cinder track were replaced with state-of-the-art artificial surfaces.

The new football field is STADIA-Turf, an artificial playing surface. The green turf lies upon a rubber surface and beneath it is a layer of crushed rock which allows for maximum drainage. Both end zones are gold with black lettering spelling out Fort Hays in the north and Tigers in the south.

The new 8-lane rubber and polyurethane track was named the Alex Francis track, to honor the former Tiger track & field coach. The majority of the field events are conducted outside the north wall.

Prior to the start of the 1996 season the seating was replaced throughout the stadium. The new seats include 1,000 chairback seats on the west side and new bench seating in the remainder of the stadium.

Lewis Field was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and was named in honor of William Alexander Lewis, president of Fort Hays State University from 1913 to 1933.

The field is located beside a spacious tree-lined drive and is just a short walk

from the campus residence halls and the downtown business district.

Dressing rooms, concession areas, athletic training facilities, restrooms and equipment storage rooms are located under the grandstands. An overhaul of the Tiger locker room was completed just before fall practices in 1990 with a synthetic floor, a false ceiling and new paint providing an entirely different atmosphere. A new stereo system was also installed.

Admittance to the stadium is allowed through two main gates, one on the east side and one on the west side. Four ticket windows are in service for each gate.

Outside the limestone wall to the southeast are two football practice fields.

HUBBARD PRESS BOX

The most recent addition to Lewis Field Stadium is the new 2,800 square-foot Hubbard press box which sits atop the west side of the stadium. The press box is named in honor of R.D. and Joan Dale Hubbard of Palm Desert, Calif. who provided the majority of the funding.

The upper level of the two-story press box features a large area in which 20 or more electronic media personnel can report on college athletic contests. Available for reporters are radio and television booths, hook-ups, a camera deck, a filming room and a restroom. Booths are also available for both home and visiting football coaches for scouting. The second floor also houses scoreboard, public address and statistical crews.

The lower level of the facility is the hospitality area where President and Mrs. Edward H. Hammond host university guests.

Inside the University Suite are tables and chairs for 40 guests, a small kitchen and a restroom.

The entire press box is heated and air conditioned and has an integrated sound system whereby users may listen to radio broadcasts, view televised games and pick up crowd noise from outside the box.

An elevator will carry university guests, media personnel and people with disabilities from ground level to their destinations. Areas designed especially for the disabled are located at the top of the stadium both north and south of the first level of the press box.

Prior to the 1999 season, the press box on the east side of the stadium was renovated creating two executive suites. The two suites may be rented by individuals or businesses for entertaining during Tiger football games.

FIELD STRENGTH FACILITY

The Earl and Winona Field Strength Facility is located in 6,814 seat Gross Memorial Coliseum. As a result of the generous contributions of the Field's the room was expanded to include new state of the art weight and workout equipment. The room is 4,600 square feet and is used by all of FHSU's 400 athletes.

2000 TIGER FOOTBALL OUTLOOK

1999 REVIEW

Nothing seemed to go right for the 1999 Fort Hays State University football squad as the team posted a disappointing 2-9 record, 2-7 in the Rocky Mountain Athletic Conference. After starting the season 0-2 the Tigers rebounded with a 54-15 win over Colorado Mines. A four game skid included a 13-12 loss to Nebraska-Kearney, a game in which FHSU fumbled twice inside the Lopers 5 yard line. FHSU rebounded the following week to defeat Western State 23-3. Three losses to end the season and FHSU was 2-9.

With the addition of 38 new faces, 26 being transfers, third year head coach Jeff Leiker is looking to turn around the fortunes of the team in 2000.

OFFENSE

Offensively FHSU will have a new look as former Tiger quarterback Bryan Maring takes over the offensive coordinator duties this season.

The quarterback spot is a battle between fifth year senior **J.J. Selmon** and Compton College transfer **Jason Brown**. Selmon, who has the ability to run or pass, redshirted last season and is 8-5 as a starter at FHSU. Brown transferred to FHSU in time to practice with the team in the spring. He passed for 2,919 yards and 18 touchdowns his sophomore year. Junior Tanner Heble and redshirt freshman Clint Meitler are tied for third on the depth chart.

Two excellent blocking fullbacks return for their senior seasons in **Thane Van Eaton** and **Clint Merritt**. Van Eaton was the starter last season with Merritt serving as the backup. Redshirt freshman Chris Ramsey could also see time at fullback. Junior College newcomers **Errol Bowen**, **Vinny Walker** and **Derek Wright** along with sophomore **Shawn Smith** are challenging for time at tailback. Bowen transferred to FHSU from West LA College. Walker comes to FHSU after two seasons at LA Valley College. Wright came to FHSU last fall after two seasons at Garden City CC where he rushed for 1,210 yards and eight touchdowns, but decided not play football at FHSU in 1999. He joined the Tigers after the 1999 season in time to participate in spring football. Smith started the final two games of the 1999 season and gained 128 yards on the year, scoring two touchdowns.

Transfers **Benjamin Gray**, **Rashaad Reed**, **Fred Shepherd** along with returners **Andre Freeman**, **Michael Warthen** and **Trevor Stapp** give the Tigers a solid group of wide receivers. Freeman and Stapp were both

part-time starters last season. Redshirt freshmen **Beau Rebel** and **Kenny Rigler** could also see action this season.

The tight end corps is led by returning starter and honorable mention RMAC selection **Brendon Pishny**. Pishny an excellent blocker is looking to become a bigger part of the offense this season after catching 12 passes for 94 yards last year. Redshirt freshman **Brandon May** looks to be the backup and second tight end in selected formations.

Several new faces will be seen on the Tiger offensive line this season. The two tackle spots will be filled by transfers **Allen Keilers**(6'6",295) from Tyler JC and **Ryan Ralston**(6'5",325) from College of the Siskiyous. Senior **Elmer Tarver**(6'3",285) and sophomores **Chad Grunder**(6'4",295) and **Patrick Corcoran**(6'5",270) will press the newcomers for time at offensive tackle. Tarver was a part-time starter last season. Grunder and Corcoran could also be used at either guard or center. Junior **Darin Holovach**(6'1",270) and redshirt freshman **Tyler Strong**(6'2",268) are the early favorites to start at guard. Senior **Lee Weber**(6'0",270), sophomore **Michael Meeker**(6'0",255) and redshirt freshmen **Evan Hopkins**(6'2",290) add depth to the guard position. Junior **Chad Adams**(6'4",265) and sophomore **Kyle Johnson**(6'1",265) are battling for the center position. Adams, the starter at center the beginning of last season, is recovering from a second shoulder operation that forced him to miss most of last season. Johnson played defensive tackle last year and was moved to center during spring football.

DEFENSE

Fourth year defensive coordinator Tim O'Connor has 15 letterwinners who return to a unit that ranked fourth in the RMAC allowing 350.5 yards per game.

Senior **Courtney Jackson**(6'2",235) and sophomore **Dustin Herrs**(6'4",250) were starters last season at defensive end. Jackson missed three games with a shoulder injury a year ago but still managed to record 5 1/2 sacks, which was second best on the squad. His size and speed has drawn interest from several NFL scouts. Herrs who was a starter at the end of last season had a productive redshirt freshman year. Sophomore **Jason Pietrzyk**(6'4",242) and junior **Todd Slavik**(6'1",230) also return after seeing considerable action last season. Hays' redshirt freshman **Jason Dechant**(6'5",245) along with Foot-hill College transfer **Nano Kavaliku**(6'2",280) are also in the mix at defensive end. Kavaliku transferred to FHSU at semester and participated in spring football after earning All-Golden

2000 TIGER FOOTBALL OUTLOOK

Gate conference honors in 1999.

Interior defensive lineman **James Morton**(6'0",270) and **Casey Seyfert**(6'1",260) return after making 21 of a possible 22 starts in 1999. Morton missed the season opener and Seyfert started all 11 contests. The duo combined for 15 tackles for loss and 6 1/2 quarterback sacks. Transfers **Jerry Samuels**(6'2",310) and **Mike Sears**(6'3",280) along with redshirt freshman **Darin Gronewoller**(6'2",240) comprise the remainder of the interior defensive line unit. Samuels and Sanders both arrived on campus in time for spring practice.

The linebacker corps returns two fifth year seniors in middle linebacker **Anthony Orrick** and outside linebacker **Josh Simonson**. Orrick's 37 tackles was sixth on the team last season and is tops among Tiger returners. Simonson had 28 tackles including five for loss playing in 11 games a year ago. Sophomore **E.J. Ochs** and redshirt freshman **Brett Hutchinson** are working at middle linebacker behind Orrick. Sophomore **Shane Ohlde** and transfers **Jerry Sprewell** and **Michael Balloue** are battling Simonson for the WILL linebacker spot. Leading candidates at the SAM linebacker spot are Compton College transfer **Alton Stafford**, redshirt freshman **Tony Crough** and senior **Patrick Jaquay**.

Defensive back coach Jeff Walker must find replacements for all four defensive backfield starters who are gone from last year. Returners **Marc Henry** and **Chip Ross** are the top two candidates at free safety. Ross broke his scapula in a pre-season scrimmage and will miss the first month of the season.

The strong safety group is comprised of sophomore **Jace Pavlovich** and Coffeyville CC transfer **Jason Sykes**.

Seniors **Jua Jackson** and **Michael Sanders** lead the list of potential starters at cornerback. Jackson played cornerback last season intercepting one pass. Sanders the

Tigers starting tailback last season moved to cornerback during spring football. Junior college transfers **Terrell Moore** and **Kama Liu** are also challenging for a starting spot. With the lack of depth at cornerback and a surplus of wide receivers some moves could be made prior to the first game.

SPECIAL TEAMS

Punter **Adam Ryan** and place-kicker **Wes Simoneau** return to lead the Tiger special teams. Ryan, an All-RMAC selection a year ago, holds five of FHSU's six punting marks. He needs 52 punts to surpass John Ruder's career mark of 250. A year ago he averaged 42.8 yards per punt, breaking the school record for the second consecutive season. Simoneau connected on 18-of-21 extra points and 11-of-16 field goals last season. He needs 41 points and six field goals to move past Roy Miller's career marks of 198 points and 32 field goals.

Sanders, Reed and Shepherd are the early favorites to handle the punt and kickoff return duties. **Joe Brown** will be the Tigers long snapper again this season. Reserve quarterback **Tanner Heble** will handle the holder duties.

THE SCHEDULE

For the tenth consecutive season FHSU opens the season against Emporia State University. The other non-conference game on the schedule is Missouri Western, a team FHSU has not played since 1988. Conference play gets underway with road contests at Adams State and Colorado Mines before a home date with Fort Lewis.

FHSU is playing a 10-game schedule this year with an open date on October 7. The Tigers last played a 10-game schedule in 1996 going 7-3.

JEFF LEIKER HEAD FOOTBALL COACH

Jeff Leiker enters his third season as head coach of the Fort Hays State University Football program. The Tigers posted a 6-5 record in his first year and were 2-9 last season.

Leiker has an extensive collegiate coaching background having coached at the NCAA I, NCAA II and Junior College ranks. He spent the 1997 season coordinating the offense at NCAA Division II Missouri Western State College, St. Joseph, Mo. Prior to coaching at MWSC he spent one season at the University of Tennessee as a graduate assistant working with the offense and special teams. He was the head coach at Garden City Community College from 1992-95 posting a 33-11 record. During his tenure at GCCC he guided the Broncbusters to three bowl appearances and two Jayhawk Conference championships. The Broncbusters finished in the National Junior College Athletic Association top 10 three times under his direction.

His first squad at GCCC in 1992 posted a 9-3 record winning the Jayhawk Conference title and Mineral Water Bowl played in Excelsior Springs, Mo. over Itawamba Community College(Miss.) to finish the year ninth in the national polls. The 1994 team posted an impressive 10-0 regular season mark in capturing the Jayhawk Conference title and advanced to the Rotary Bowl in St. George, Utah. A loss to Dixie Junior College left the team 10-1 with a final national ranking of number six. A trip to Phoenix, Ariz. and the Valley of the Sun Bowl in 1995 resulted in a victory over Glendale Community College and a season ending record of 9-2. GCCC ended the

NEBRASKA-KEARNEY 13, FORT HAYS STATE 12

Hays, Kan. (Oct. 16) Three costly fumbles by Fort Hays State University proved to be more than the Tigers could overcome in dropping a 13-12 decision to Nebraska-Kearney. Two fumbles occurred inside the UNK 5 yard line stopping FHSU scoring opportunities.

The final 2:55 of fourth quarter provided the 2,039 fans with all the excitement they could possibly handle. With FHSU trailing 13-10 Tiger quarterback Andy Garcia had just thrown an interception at the UNK 16 yardline. After a short run Loper quarterback Justin Coleman was intercepted at the 22 yardline by cornerback Johnny Vaughn. Vaughn returned the ball to the UNK 11 yardline.

Tailback Michael Sanders rushed the ball over right end to the UNK 3 yard line. Following a UNK time-out with 1:34 left to play Sanders again carried the ball but fumbled it and UNK recovered at the 1 yard line to halt the Tiger scoring threat.

After two short UNK runs and an incomplete pass Loper quarterback Justin Coleman stepped out of the endzone taking an intentional safety making the score 13-12 in favor of the Lopers. Following the free kick the Tigers moved the ball to the UNK 41 yard line but Garcia was intercepted on the final play of the game at the Loper 16 yard line. FHSU lost for the fourth consecutive time in the series.

Hays, Kan.(Nov. 13) Adams State scored midway through the first quarter and a 7-0 advantage after one quarter. FHSU tied the game on a Shawn Smith 21 yard run in the second period.
